

# EVAN GENEST

## FULL STACK WEB DEVELOPER

### PROFILE

My Web Development training coursework was in 2017-present at Coursera, EdX, Udacity, Udemy, and Codecademy.

These courses built on three semesters of Computer Science I had in college in 2009.

From December 2017 to October 2019 I was in Tech Support at Scooter Software. I am now looking for a Web Developer job.
